

AEO

WELL-BEING

GUIDANCE ON TESTING

There are many situations in which an associate may need/want to be tested for COVID-19; including, but not limited to:

- (1) Experiencing symptoms of COVID-19
- (2) Upon learning that you have been exposed to someone with a positive COVID-19 diagnosis
- (3) After traveling to a city or state that is experiencing high levels of infection

We encourage associates to self-assess and take a proactive, common-sense approach. If you develop flu-like symptoms (fever, cough, shortness of breath), are instructed to contact your medical provider, are advised to quarantine or to isolate, do not report to work and contact your manager or supervisor immediately.

Please follow the steps outlined below to access a COVID-19 test.

For associates enrolled in AEO's medical insurance:

Costs of the tests are covered 100%.

Cigna has partnered with LabCorp and the Pixel anterior nasal swab test.

1. Go to myCigna.com directly or through Single-Sign-On via AEO2GO or Nest > Benefitfocus > ClickSSO in the Navigation Bar > Click on Cigna Logo.
2. You will see the box below on your homepage; click "Learn more", answer a few questions and order your test.

Assess Your Coronavirus (COVID-19) Risk and Get Tested

Check your symptoms, order a COVID-19 at-home test kit, and see what other resources Cigna is providing to support our customers.

[Learn more](#)

For associates NOT enrolled in AEO's medical insurance, but with coverage on another medical plan:

Most insurance companies are covering 100% of the costs associated with COVID-19 PCR/Diagnostic tests.

Contact your medical insurance provider either online or by dialing the number on the back of your medical card.

For associates NOT enrolled in any medical plan:

Many cities, states and counties are offering FREE testing.

Go to this site <https://www.hhs.gov/coronavirus/community-based-testing-sites/index.html> to determine if there is a FREE testing site close to your home.

Alternative method to order the Pixel COVID-19 Test

If enrolled in AEO medical – enter your Cigna insurance information to have the test covered 100%

If enrolled in other medical coverage – enter your medical insurance information to determine if the test is covered 100%

If you are uninsured, the cost of this test is \$110 per test and payment must be paid in full when placing your order.
